Exposure

Finally, an easy way to
market your business and
increase exposure

Forget that old hard to manage
website. You'll never have to
bother with an amateur web de-
signer again. We put the control
back in your hands for less than
you pay for your phone bill.
We'll give you a professional
website that will work right the
first time and allow you to
easily update and manage your
own content.

- ✓ Professional website
powered by GreyCMS
- ✓ Submission to directories
- ✓ SEO (search engine optimization)
- ✓ Social Marketing on
Facebook and Twitter!

Flexibility

Simple as a cell phone to
begin and manage an
effective web presence.

Your GreyCMS powered website
will cost you nothing to setup
and will begin bringing you re-
sults and new customers from
the time it launches. You'll have
the freedom to update your
own pages, menus, photos,
videos, and more.

Boost your results with:

- ✓ Geo-targeted online and
email marketing
- ✓ Link popularity campaigns
